Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO ENTER INTO CONSULTANT SERVICES AGREEMENTS WITH 18
AGENCIES TO IMPLEMENT MENTAL HEALTH SERVICES ACT-
PREVENTION AND EARLY INTERVENTION PREVENTION PROGRAMS
FOR FISCAL YEARS 2014-15 AND 2015-16
(3 VOTES)**

SUBJECT

Request approval to award Consultant Services Agreements to 18 agencies on the Mental Health Services Act Master Agreement List for the provision of Prevention and Early Intervention Prevention Programs.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute Consultant Services Agreements (Agreements), substantially similar to Attachment I, with 18 agencies listed in Attachment II, for the provision of prevention-type services. The Agreements will be effective upon your Board's approval for a term of twelve (12) months and ending December 31, 2015, with an option to extend for the remainder of Fiscal Year (FY 2015-16 and the full 2016-17 FY. The Total Contract Amount (TCA) of each Agreement is \$100,000, fully funded with State MHSAs revenue; each Agreement includes up to \$10,000 or one-tenth of the TCA, whichever is less, of one time start-up funds.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to the Agreements in Recommendation 1, to add and/or change non-substantive terms and conditions, and/or establish as new TCAs the aggregate of the original Agreement(s) and all subsequent amendments provided that: 1) the County's total payments to each contract provider for

the fiscal year will not exceed an increase of 10 percent from the original Board approved TCA; 2) any such increase will be used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval as to form by County Counsel, is obtained prior to any such execution of any amendments; 5) County and contract providers may, by written amendment, mutually agree to reduce programs, and revise the applicable TCA; and 6) the Director notifies your Board and the Chief Executive Officer (CEO) of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will allow DMH to continue the implementation of an important component of its Prevention and Early Intervention (PEI) Plan. This Plan focuses on the delivery of preventative-type, non-traditional mental health services which are described in the plan.

PEI prevention services will be delivered to all age groups (children, Transition-Age Youth (TAY) ages 16-25, adults, and seniors) through programs like "Make Parenting a Pleasure (MPAP)", the "Outreach and Education Pilot" (OEP) for Transition-Age Youth (TAY) ages 16-25 who are at risk for substance abuse, on probation, involved in the juvenile justice system, and/or at risk of school failure; and the OEP for Underserved Populations. Services will also include underserved populations, including African/African American, American Indian, Asian/Pacific Islander, Latino, and Middle Eastern/Eastern European, as well as underserved/ underrepresented communities, including the Lesbian/Gay/Bisexual/Transgender (LGBT) individuals and military veterans.

Prevention services are expected to be delivered by new providers that do not currently contract with DMH. This will offer DMH an opportunity to strengthen and increase its existing network of directly-operated and contracted mental health service providers who currently provide PEI early intervention services, thereby creating a more comprehensive safety net that both: 1) prevents or deters mental health issues/symptoms from occurring; and 2) provides professional clinical mental health intervention services once mental health issues/systems have occurred.

DMH continues to implement a Countywide educational, evidence-based life-span approach to prevention services. These services are intended to act as protective barriers that: 1) reduce risk factors or stressors; 2) increase support networks in parents, families, caregivers; 3) promote positive, cognitive, social, and emotional development; 4) encourage a state of well-being that allows individuals to function well in the face of changing and often stressful circumstances; and 5) lessen the impact of, or prevent more serious mental health issues from occurring.

The prevention services for all age groups will build collaborative partnerships between: 1) consumers (e.g. family members, parents, and caregivers); and 2) mental health paraprofessionals (e.g. parent educators, counselors, other social service professionals, child care workers, licensed or waived psychologists, licensed or waiver social workers, and/or licensed or waived Marriage and Family Therapists), in order to increase permanent supportive, prevention services for family members, parents, caregivers, and other underserved/underrepresented consumers of mental health services throughout Los Angeles County.

Implementation of Strategic Plan Goals

The recommended Board actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The total cost of the Agreement for the 18 agencies (Attachment II) is \$1,800,000 and is fully funded by State MHSA revenue. The TCA for each Agreement is \$100,000 and includes up to \$10,000 or one-tenth of the TCA for one time startup funds.

Funding for this Agreement is included in DMH's FY 2014-15 Final Adopted Budget. Funding for future fiscal years will be incorporated into the budget through the Department's annual budget request process.

There is no net County cost impact associated with the recommended action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

According to State MHSA PEI guidelines, PEI funds are distributed as follows: 30 percent of PEI funds to directly-operated agencies; 40 percent of PEI funds to current contract providers – mainly Legal Entity (LE) contract providers; and 30 percent of PEI funds to “new” contractors, including contractors who, prior to January 13, 2014, did not have a DMH contract to provide non-traditional mental health services. In May 2010, DMH began the implementation of its PEI Plan through the transformation of core mental health programs to PEI Early Intervention, PEI Early Start Suicide Prevention, and PEI Family-focused programs to reduce mental health stigma and discrimination.

Board approval of this action will allow DMH, through implementation of 18 PEI Prevention Program services, to maintain its compliance with the part of its PEI Plan whereby 30 percent of PEI funds are to be distributed to “new” contractors that includes non-traditional mental health agencies and/or agencies that provide care services in non-traditional mental health settings.

The attached Agreement format has been approved as to form by County Counsel. PEI administrative staff of DMH will review and monitor compliance to the Agreements, including the Statements of Work and Fee Schedule, and evaluate PEI Preventive Plan programs to ensure that a high quality of services are being provided to family members, caregivers, parents, and underserved and underrepresented consumers, and affirm the Agreement's provisions and policies are being followed.

CONTRACTING PROCESS

On January 13, 2014, DMH issued a MHSA PEI Prevention Programs Statement of Eligibility and Interest (SEI) for PEI Prevention Programs to 129 agencies and individuals on its MHSA Master Agreement List that indicated an interest in providing PEI services and that: 1) did not have a funded contract with DMH, and 2) were not a government agency, community college, or a Community Partner (formerly known as a Public-Private Partnership or PPP).

In this SEI, DMH identified the following three (3) PEI Prevention Programs that have the potential to prevent and minimize the impact of mental health issues for consumers and their families: 1) Making Parenting a Pleasure (MPAP); 2) Outreach and Education Pilot: TAY At-Risk for Substance Abuse, on Probation, Involved in the Juvenile Justice System and/or School Failure; and 3) Outreach and

Education Pilot: Underserved Populations.

Phase I of this SEI process required responses from prospective contractors due by January 27, 2014. A total of 52 agencies responded by the due date, out of which, 47 were determined qualified to move on to Phase II. On February 5, 2014, DMH issued Phase II which required that each respondent agency attend an informational question and answer meeting on February 18, 2014. Representatives from 39, of the 47, agencies attended the required meeting.

Phase II also required that respondent agencies provide supporting documentation by March 5, 2014. As of the due date, 35 agencies submitted the additional supporting information. DMH staff reviewed and verified all responses and determined that 18 agencies met the minimum qualifications for one of the three (3) PEI Prevention Programs.

This is not a Proposition A contract for the following reasons: 1) the services cannot be performed adequately, competently, or satisfactorily by County employees and it is impossible to recruit for the period of time needed; 2) the services are of an extraordinary technical nature and of a temporary nature; 3) the services are needed on an intermittent basis; and 4) the services are for independent analysis/evaluation, review and/or audit and there is a need for independence. The Living Wage requirements are, therefore, not applicable. All recommended contractors will agree to abide by the County's Indemnification and Insurance requirements and all Board mandated requirements that include, but are not limited to, Contractor Responsibility and Debarment and Contractor's Charitable Activities Compliance requirements.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the proposed actions will enable DMH to provide PEI Program Prevention Program services within the PEI Plan framework under the State's PEI guidelines whereby prevention services shall be provided by non-traditional mental health agencies. These Agreements are critical to Los Angeles County's commitment: 1) to reach out to underserved and unserved populations; 2) to provide non-traditional mental health prevention services that will act as protective barriers against the risk of developing mental health problems; and 3) to build upon the Department's existing network of directly-operated and mental health contract providers. All such actions will create a more comprehensive safety net that will both: 1) prevent or deter mental health issues/symptoms from occurring, and 2) provide professional early intervention mental health services once mental health issues/symptoms have occurred.

8.2 General Provision for all Insurance Coverage: Without limiting Contractor's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Section 8.0 and 8.3 of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Agreement.

1) Evidence of Coverage and Notice to County

(a) Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been

given Insured status under the Consultant's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Agreement.

(b) Renewal Certificates shall be provided to County not less than 10 days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or Sub-Contractor insurance policies at any time.

(c) Certificate shall identify all Required Insurance coverage types and limits specified herein, reference this Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

(d) Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

**Los Angeles County - Department of Mental Health
Contracts Development and Administration Division
550 S. Vermont Ave., 5th Floor
Los Angeles, CA 90020**

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its Sub-Contractors which arises from or relates to this Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or County.

2) Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

3) Cancellation of or Changes in Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Agreement.

4) Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

5) Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

6) Contractor's Insurance Shall Be Primary

Contractor's insurance policies, with respect to any claims related to this Agreement, shall be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

7) Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Agreement. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

8) Sub-contractor Insurance Coverage Requirements

Contractor shall include all Sub-contractors as insureds under Contractor's own policies, or shall provide County with each Subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the County and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Subcontractor request for modification of the Required Insurance.

9) Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

10) Claims Made Coverage

If any part of the Required Insurance is written on a claim made basis, any policy retroactive date shall precede the effective date of this Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

11) Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

12) Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insured's provision with no insured versus insured exclusions or limitations.

13) Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

36.0 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its Sub-Contractors, at any tier, or any owner, officer, partner, director or other principal of any Sub-Contractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its Sub-Contractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

37.0 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal Government, directly or indirectly, in whole or in part, and that Contractor will notify Director within (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal Government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Sub-Contractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit F as part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

38.0 CONTRACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: County is a Covered Entity as defined by, and subject to the requirements and prohibitions of, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

18.3 Notwithstanding Section 18.1, in the event that Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

18.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

18.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

18.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 18.2.

19. AUDIT, INSPECTION, AND EXAMINATION

19.1 Covered Entity reserves the right to conduct a reasonable inspection of the facilities, systems, information systems, books, records, agreements, and policies and procedures relating to the Use or Disclosure of Protected Health Information for the purpose of determining whether Business Associate is in compliance with the terms of this Business Associate Agreement and any non-compliance may be a

basis for termination of this Business Associate Agreement and the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, as provided for in Section 17.

19.2 Covered Entity and Business Associate shall mutually agree in advance upon the scope, timing, and location of any such inspection.

19.3 At Business Associate's request, and to the extent permitted by law, Covered Entity shall execute a nondisclosure agreement, upon terms and conditions mutually agreed to by the parties.

19.4 Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 19.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.

19.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, shall not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

19.6 Section 19.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment that gives rise to Contractor's status as a Business Associate.

20. MISCELLANEOUS PROVISIONS

20.1 Disclaimer. Covered Entity makes no warranty or representation that compliance by Business Associate with the terms and conditions of this Business Associate Agreement will be adequate or satisfactory to meet the business needs or legal obligations of Business Associate.

20.2 HIPAA Requirements. The Parties agree that the provisions under HIPAA Rules that are required by law to be incorporated into this Amendment are hereby incorporated into this Agreement.

20.3 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

20.4 Construction. In the event that a provision of this Business Associate Agreement is contrary to a provision of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20.5 Regulatory References. A reference in this Business Associate Agreement to a section in the HIPAA Rules means the section as in effect or as amended.

20.6 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits the parties to comply with the HIPAA Rules.

20.7 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity or Business Associate to comply with the requirements of the HIPAA Rules and any other privacy laws governing Protected Health Information.

39.0 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Agreement.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the

County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for the County under the Agreement, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this subparagraph shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate, to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County agreements for a period of time consistent with the seriousness of the breach.

40.0 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit G of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

41.0 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

42.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

43.0 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractor to complete the certification in Exhibit H, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

44.0 COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

45.0 COMPLIANCE WITH APPLICABLE LAW:

45.1 In the performance of this Agreement, Contractor shall comply with all Federal, State and local laws, rules regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

45.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal

defense pursuant to Contractor's indemnification obligations under this Paragraph 45.0 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by county. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

46.0 COMPLIANCE WITH CIVIL RIGHTS LAWS:

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit I - Contractor's Equal Employment Opportunity (EEO) Certification.

47.0 ALTERATION OF TERMS:

No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

48.0 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Office of Affirmative Action Compliance of this information prior to responding to a solicitation or accepting a contract award.

49.0 PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and

outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's independent contractor, freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a an independent contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such independent contractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the independent contractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in the sub-paragraph, the term "independent contractor" mean independent contractor at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

51.0 CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY

TAX REDUCTION PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.260.

52.0 BACKGROUND AND SECURITY INVESTIGATIONS:

5.2.1 Each of Contractor's staff performing services under this Agreement who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

5.2.2 If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

5.2.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

5.2.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 52.0 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

53.0 PUBLIC RECORDS ACT:

53.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to sub-paragraph 57.0 – Record Retention and Inspection/Audit Settlement of this Agreement; as well as those documents which were required to be submitted in response to any solicitation conducted by the County for any services and/or programs for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

(1) County shall notify Contractor upon receipt of a request for such marked documents.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agree to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

All such material shall be maintained by the

STATEMENT OF WORK

1. OVERVIEW

Through the stakeholders' planning process for the Mental Health Services Act (MHSA) Prevention and Early Intervention (PEI) Plan, it was determined that there remains an unmet need to provide non-traditional preventive mental health education, support, and outreach services, particularly to underserved and hard-to-reach ethnic populations/cultural communities and underrepresented populations throughout Los Angeles County. Such preventive services offer an opportunity for the Department of Mental Health (DMH) to strengthen and build upon its existing network of directly-operated and contracted mental health service providers who currently provide PEI early intervention mental health services, thereby creating a more comprehensive and inclusive safety net that will both 1) prevent or deter mental health issues/symptoms from occurring, and 2) provide professional early intervention services once mental health issues/systems have occurred.

Prevention in mental health involves 1) reducing risk factors or stressors such as feelings of isolation, stress, anxiety, peer rejection, anti-social behavior, excessive family conflict, and/or unsafe environments, 2) building protective factors and skills such as building positive family bonds and supportive families, empowering parents, improving parent/child relationships, developing positive coping mechanism, communication, and decision making skills, and 3) increasing support networks for individuals and families in neighborhood/community centers, schools, churches, and other group settings improving the likelihood that children, youth, and/or adults will be more successful in home, school, work, and in their communities. Prevention promotes positive, cognitive, social, and emotional development and encourages a state of well-being that allows the individual to function well in the face of changing and sometimes challenging circumstances. Universal prevention targets the general public or a whole population group that may not have been identified on the basis of individual risks. Selective prevention targets individuals or a subgroup who may benefit the most and/or whose risk of developing mental illness is significantly higher than average.

DMH seeks to develop, support, and promote both universal and selective strategies and approaches for its PEI Prevention Programs through a Promising Practice (PP), and two (2) PEI outreach and education pilot programs. Consultant as a contractor (Contractor) will provide the following PEI Prevention Program services (including follow-up services if necessary) that are intended to prevent and minimize the impact of mental health issues for consumers and their

families:

- ___ Making Parenting a Pleasure (MPAP)
- ___ Outreach & Education Pilot: Transition Age Youth (TAY) At-Risk for Probation Substance Abuse, on Probation, Involved in the Juvenile Justice System and/or School Failure
- ___ Outreach & Education Pilot: Underserved Populations

A. Making Parenting a Pleasure (MPAP)

MPAP, a Promising Practice group-based positive parenting training program, is designed to address the stress, isolation, and lack of adequate parenting information and social support that many parents, families, and/or caregivers of children from birth to eight (8) years of age experience. MPAP begins by recognizing the importance of parents as individuals, focuses first on the need for self-care and personal empowerment, and moves from an adult/adult focus to a parent/child/family emphasis. It addresses protective factors such as decreasing parental isolation, increasing parental sense of confidence and competence, and increasing parental knowledge of child development. MPAP should prove invaluable in helping parents become not only more effective, but also more fulfilled in their roles as parents, family members, and/or caregivers.

MPAP program services are to be delivered by parent educators who will work in group settings with stressed parents, families, and/or caregivers of children (0-8 years); the MPAP content is adaptable and flexible. Each parenting series shall be provided over a three to four month span during the 12 month funding period. The parenting groups are comprised of a series of 13 modules that allow parent educators to tailor group sessions to parents' needs. Contractor will provide services based on a MPAP curriculum that is built around key concepts that:

- Identify parent values;

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafe-la.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)
